1.26 Award of Contract

(a) Post-qualification

1.26.1 The Procuring entity will determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.

1.26.2 The determination will take into account the tenderer financial, technical, and supply capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer, pursuant to paragraph 1.12.3 as well as such other information as the Procuring entity deems necessary and appropriate.

1.26.3 An affirmative determination will be a prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event the Procuring entity will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

(b) Award Criteria

1.26.4 The Procuring entity will award the contract to the successful tenderer(s) whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.

(c) Procuring entity's Right to Vary quantities

1.27 Notification of Award

1.27.1 Prior to the expiration of the period of tender validity, the Procuring entity will notify the successful tenderer in writing that its tender has been accepted.

1.27.2 The notification of award will constitute the formation of the Contract but will have to wait until the contract is finally signed by both parties

1.27.3 Upon the successful Tenderer's furnishing of the performance security pursuant to paragraph 1.29, the Procuring entity will promptly notify each unsuccessful Tenderer and will discharge its tender security, pursuant to paragraph 1.14

1.28 Signing of Contract

1.28.2 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless these are an administrative review request.

1.29.1 Within Thirty (30) days of the receipt of notification of award from the Procuring entity, the successful tenderer shall furnish the performance security in accordance with the Conditions of Contract, amounting to 10% of contract sum, in the Performance Security Form provided in the tender documents, or in another form acceptable to the Procuring entity.

1.29.2 Failure of the successful tenderer to comply with the requirements of paragraph 1.27 or paragraph 1.28 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event the Procuring entity may make the award to the next lowest evaluated Candidate or call for new tenders.

1.30.2 The procuring entity will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

1.30.3 Further a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public procurement in Kenya.
